Board Chair  
Stop the Chop NYNJ

Dear Ms. Elstein,

I am writing on behalf of Brooklyn Community Board 14 to thank you for your presentation on advocacy efforts to ban non-essential helicopter flights in and over New York City. At the CB14 Transportation Committee meeting held on November 6, 2025 a letter of support was requested. At the following regular monthly meeting of the full board on November 10, 2025, the CB14 Transportation Committee Co-Chairs reported that request to the full board as part of their committee report.

A motion was made and passed to express Community Board 14's support for your endeavors.

Helicopter noise complaints have been brought to the attention of the community board district office and local elected officials. On the basis of community-wide impacts on quality of life as well as broad environmental concerns CB14 supports a ban on nonessential helicopter flights in and over New York City.

Sincerely,

Sincerely,

Karl-Henry Cesar  
Chair
